Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

GROUP 1800

Sir:

In accordance with the Applicants' duty of disclosure under 37 C.F.R. §1.56 and §1.97, the Applicants submit herewith the following references which were (a) considered by the Examiner and are of record in parent application Serial No. 07/787,390 filed November 4, 1991 ("390 parent application") and grandparent application Serial No. 07/432,069 filed November 6, 1989 ("069 grandparent application"); (b) made of record in the file history of U.S. Patent No. 5,272,071 granted to Chappel (the "Chappel patent"); and (c) any references discussed during the interview held on November 16, 1994 and used as part of the Applicants' response submitted concurrently herewith.

Pursuant to 37 C.F.R. §1.97, Applicant has listed each document on the attached revised PTO Form 1449 entitled

BY HAND
FEBRUARY 7, 1995

PENY2-343086.1

"List of References Cited by Applicant". Reference BG is of record in the '390 parent application, whereas References BA - BF, BH-BO, BR and BV are of record in the Chappel patent U.S. Patent No. 5,272,071.

Identification of the above listed references is not to be construed as an admission by Applicant or attorneys for Applicant that such references are available as prior art against the subject application. Applicant respectfully requests that the Examiner review the foregoing references and that they be made of record in the subject application.

Respectfully submitted,

Date: February 6, 1995
